John Paul Engel's Bio

John Paul Engel is an internationally-known strategy consultant and award-winning professional speaker who inspires his audiences to exceed their potential.

Born addicted to drugs, with brain damage, and deemed unadoptable, John overcame seemingly insurmountable obstacles to rise to the heights of success.

With an International MBA from the University of Chicago Booth School of Business, John works as a strategy consultant with businesses around the world. His passion is speaking to youth groups, schools, and organizations on ways to exceed their innate potential.

He has mentored and has been mentored by some of the most successful people in the world, and he brings those lessons to his audiences through his presentations as well as through his book *Project Be The Change*.
